

# Therapist

Triangle Family Services has an exceptional opportunity for a therapist to join our Individual and Family Counseling Division. Full-time and part-time scheduling options are available, and professional training and development opportunities are provided and supported.

## Qualifications:

- Master's Degree in Social Work or an allied mental health field and licensed to practice in North Carolina (LCSW and LCAS preferred). Associate licensed candidates also considered.
- Thorough knowledge of mental health/illness, diagnosis using current DSM, and individual and group modalities.
- Thorough knowledge of substances, addiction and recovery as well as appropriate screening tools and interventions.
- Thorough knowledge of the code of ethics of professional degree and licensing board, as well as the cultural and socioeconomic characteristics of persons served.
- Excellent writing skills.
- Experience working with one or more of the following preferred: families impacted by trauma, in particular child sexual abuse; conducting substance abuse assessments and first line treatment for adults; EBTs such as Trauma Focused Cognitive Behavioral Therapy, Child Parent Psychotherapy, or Cognitive Processing Therapy.

## Responsibilities (main, but not limited to):

- Maintain client caseload of ~22 direct billable hours (prorated if PT) per week, composed of individual and family counseling sessions and mental health and substance abuse assessments for clients accessing other agency services.
- Provide diagnostic and psychotherapeutic services including diagnostic evaluation, treatment planning, individual and family therapy, case management and collateral contacts as appropriate.
- Participate in team rotation for coverage of group services, such as parent support group and co-parenting class.
- Coordinate services and client care with full spectrum of service providers and stakeholders in client's case as necessary and indicated, to include participation in collaborative meetings.
- Maintain written/electronic documentation of all services provided in accordance with agency standards and procedures.
